## Hong Kong Business Association of Hawaii

Central Financial District, Hong Kong

Hong Kong Business Association of Hawaii (HKBAH), a 501(c)(6) nonprofit politically neutral business association, was established in 1996 by a younger generation of business professionals and entrepreneurs who immigrated to Hawaii from Hong Kong.

The purpose of the association is to promote networking among individuals or businesses who may want to develop business ties or contacts in Hong Kong, China and its economic neighbors, or to join a business circle where many share the same cultural heritage and interest.

### Mission Statement

“To provide a bridge in facilitating trade, investment, and business opportunities between Hawaii, Hong Kong, China and its neighboring regions in order to enhance our separate commercial and investment environments for mutual benefits.”

### Our Goal

- ◆ To provide networking opportunities between members and individuals with business interests in the target communities.
- ◆ To provide a forum for exchange of business, trade information and overall understanding between Hawaii, Hong Kong, China and its neighboring economic regions.
- ◆ To promote and maintain the international business role and image of Hong Kong and Hawaii.
- ◆ To create value-added benefits for our members.
