Hong Kong Business Association of Hawaii (HKBAH), a 501 (c)(6) nonprofit, politically neutral business association, was established in 1996 by a younger generation of business professionals and entrepreneurs who immigrated to Hawaii from Hong Kong.

The purpose of the association is to promote networking among individuals or businesses who may want to develop business ties or contacts in Hong Kong, China and its economic neighbors, or to join a business circle where many share the same culture heritage and interest.
